**A wealth of experience gained over 28 years in television. London and Oxford based with the skillset as a DOP / Lighting Cameraman to work in all genres of television production. Whether part of a large crew, or working in a small team, able to closely follow a brief as directed, as well as offer creative input, when required. An eye for detail and great communication skills, takes each shoot on an individual basis, knowing exactly what is needed to produce fantastic results. With drive, enthusiasm, and a wide knowledge base, having shot entertainment, reality, drama, drama reconstruction, commercials, list shows, travel shows, property shows, web based content, as well as factual, documentaries, comedy, idents, corporate and outside broadcast work. Highly motivated by being part of the creative process.**
